

Applying to Pathways in 10 Simple Steps

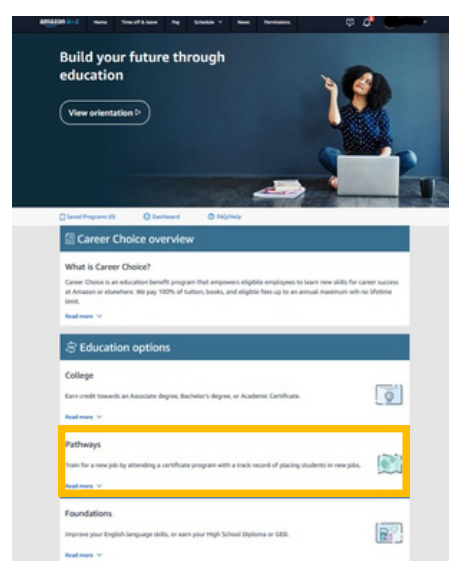

1 Visit AtoZ, log in, and select "Resources" under the "Profile" section

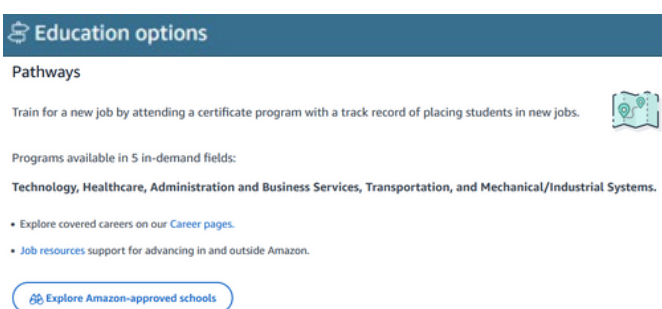

2 Select "Career Choice"

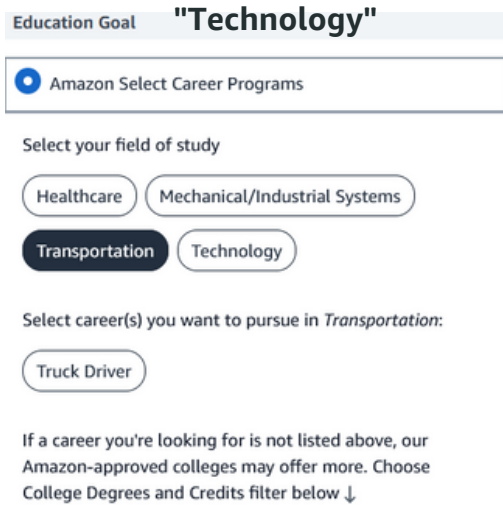

3 Choose the "Pathways" track

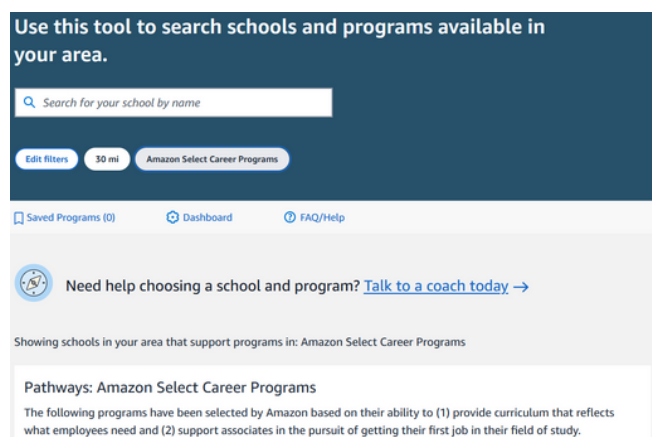

4 Select "Explore Amazon-approved schools"

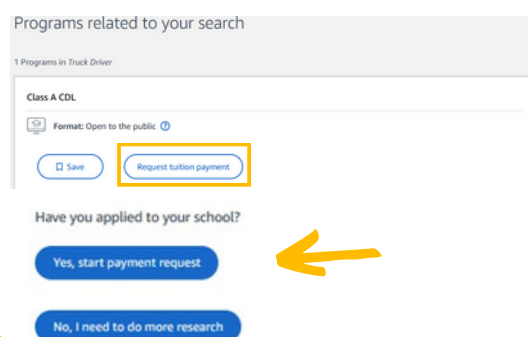

5 Update filters to include Amazon Select Career Programs, Select Education Goal "Technology"

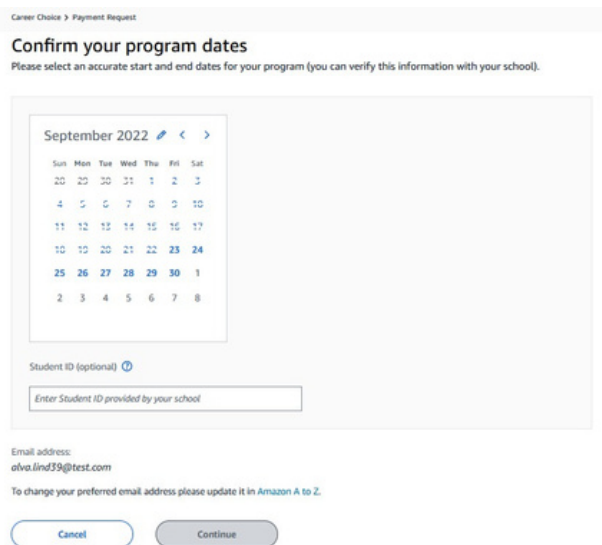

6 Explore schools and programs in your area, and enroll with your school

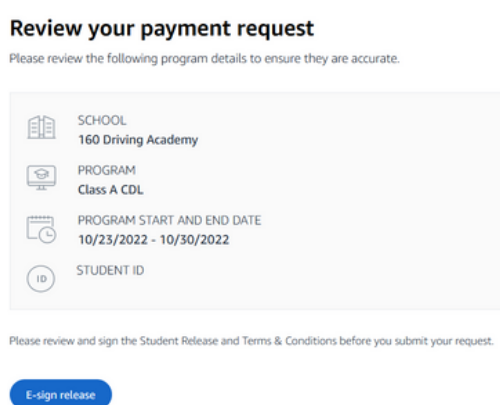

7 Select request tuition payment and confirm that you have been accepted by your school before starting the payment request

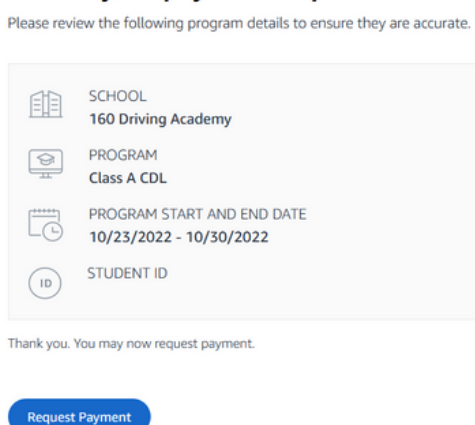

8 Skip this section as it is not applicable to Merit America

9 Review payment request information and e-sign release

10 Select "Request Payment" to send the payment request to the school to submit your application

You're in! Your payment request has been submitted and sent you a confirmation email.
